

Parody of the chorus of Bye Bye Miss American Pie (by Don McLean)

Bye-bye, Abbott Family, goodbye
Drove your family to the city and our hopes were so high
Had no idea that a pandemic would try
To close our doors and make us cry
But, this won't be the day that we die.

Parody of the Addams Family theme song

Da-da-da-dum (2 snap) x2
Da-da-da-dum, (1 snap) x2 Da-da-da-dum (2 snap)

They're clever and they're funny
Some like to go running
They're all together sunny
The Abbott family

Their house is an art museum
And people love to see 'em
They really are a welcoming
The Abbott family

Da-da-da-dum → Nice
Da-da-da-dum → Sweet
Da-da-da-dum x3 → Erudite

If you put a Cubs hat on
They might wear a frown
But we'll do it anyway
Your Chicago family

They're clever and they're funny
Some like to go running
They're all together sunny
The Abbott family

Parody of With a Little Help from My Friends (by The Beatles)

Verse 1
What would you think if we sang out of tune?
Would you stand up and walk out on us?
Lend us your ears and we'll sing you a song
As we worship the One who we trust

Chorus
We say goodbye, as your time with us ends
We might cry, as your time with us ends
We look on High, as your time with us ends

Verse 2
What do we do when the Abbotts go away?
Thankfully we won't ever be alone
We're pretty sad at the end of your stay
But grateful for the love that you've shown

Chorus
So we say goodbye, as your time with us ends
And we might cry, as your time with us ends
But we look on High, as your time with us ends

Bridge
Do you need anybody?
We have the Creator of Love
Should it be anybody?
We've got the Creator of Love

Chorus
Now we say goodbye, as your time with us ends
Oh, we'll cry, as your time with us ends
But we look on High, as your time with us ends
